# GREETINGS

Congratulations on your upcoming wedding! At Little Lemon Shots, we know how important it is to create lasting memories on such a special day, and we'd love to be part of your celebration.

We've experienced weddings where the photobooth appeared as a mere afterthought—shoved into a dim corner, poorly illuminated, and ultimately leaving guests with wrinkled photo strips crammed into their bags by the end of the evening. That's certainly not the kind of vibe you want to create.
